## Foreword

WE PRAISE ALLAH and send blessings upon His noble Messenger.

A graduate of Jame'ah 'Uloomul Qur'an, my dear student Mawlawī Shoaib Shah (may Allah keep him from harm) has, with much effort, compiled this book, through the will of Allah ﷻ. In this book, he has gathered blessed prophetic hadiths regarding laughter and smiling along with explanatory notes. Furthermore, he has discussed the injunctions and etiquettes of joking and humour in the light of the glorious Qur'an and the prophetic way.

I pray that Allah accept this book and make it a source of benefit. Finally, may Allah reward its author in abundance and grant him salvation.
